

Pre-Professional Program

The Victorian State Ballet is Victoria's unique Ballet Company boasting a repertoire of full-length classical ballets to neo classical and contemporary works. VSB is a world class leader in training today's generations to be tomorrow's future of world class ballet artists.

The state's leading pre-professional program is driven by an internationally recognized faculty of industry professionals which focus on training, coaching & nurturing selected students to the point of entry into the Victorian State Ballet Company.

The pre-professional program is the main feeder program into the company, achieving a high success rate of graduate students entering into the Victorian State Ballet company annually. The program offers daily training and coaching in classical ballet, contemporary dance, pas de deux, pointe work, male & female technique, production, jazz, repertoire & body conditioning/Pilates.

Our goal is for potential employment with the Victorian State Ballet Company and other major Australian & International ballet companies. The program offers a unique platform of opportunities to graduate students to open up and grow their dance career. These include exposure to the daily life of working in a professional company in rehearsal and performance with VSB's Company touring, productions and events.

Aims

The pre-professional program successfully provides students with the highest level of training in classical ballet technique and artistic skill, meeting today's industry standards for entry into the Victorian State Ballet and leading professional ballet companies worldwide.

Our internationally recognized faculty offers daily training and coaching in classical ballet, contemporary dance, pas de deux, pointe work, male technique, production, repertoire & body conditioning/Pilates for potential employment with the Victorian State Ballet Company and other leading Australian & International ballet companies.

The company course offers a unique platform of opportunities to students which include exposure to the daily life of working in a professional company in rehearsal, regular touring and performances with VSB's Company productions and events throughout the year.
